

# *Raven Rock Ramble*

## Directions to Sag Stop 1

Sag Stop 1 is at Edwards General Store at the intersection of Christian Light Road and Cokesbury Road.

Address: 4298 Christian Light Road, Fuquay Varina, NC 27526

Directions from Harris Lake County Park:

Note: you are following the routes (white and yellow arrows) out from the park

1. Exit the park and turn right onto New Hill Holloman Road.
2. At the stop sign (Holloman's Crossroads) continue straight on Rex Road
3. At the next stop sign, turn right onto Cass Holt Road
4. After a very short distance, turn left onto Buckhorn-Duncan Road
5. At the next stop sign, turn left onto Highway 42
6. Just after the railroad tracks turn right onto Oak Ridge - Duncan Road
7. At the next stop sign, turn right onto Christian Light Road
8. Go 3.3 miles to Cokesbury Road. The sag stop is the Citgo station on the left, at the corner closest to the intersection. If raining, ask permission if you set up under any of the store's enclosed areas.

Notes:

1. Set up to be visible from the road.
2. The owners (Michael & Laurie Edwards) have given permission to use their two bathrooms inside the store.
3. The routes split at this point, with the 100 mile route continuing straight and the 100K and 50K routes turning right onto Cokesbury Road. The cue sheets indicate the distance to the next sag stop or to the finish.
4. The first riders will pass around 9:00am (but probably will not stop). The last riders should pass by 10:00 or so.
5. If you feel so inclined, you can warn the folks on Cokesbury of a long hill ahead. It's the only really big hill on the 50K route.

Directions back to Harris Lake County Park:

1. Follow Cokesbury Road back to Highway 42
2. Continue straight on Cokesbury (becomes Buckhorn-Duncan) and return the way you came
3. If you get lost you can always follow the blue arrows (50K route) back
