Sag Stop 2 is at Flat Brach Fire Department south of Lillington, just off Hwy 210.
Address: 2098 Elliott Bridge Road, Bunn Level, NC 28323

Directions from Harris Lake County Park (see map in notebook):

1. Turn right out of the park onto New Hill-Holloman Road
2. Turn left at the stop sign (at Holloman's Crossroads) onto Avent Ferry Road
3. Turn right onto the Highway 55 bypass and follow Highway 55 South into Fuquay-Varina
4. In Fuquay-Varina, take Highway 401 South toward Lillington
5. Follow Highway 401 through Lillington; turn right onto Highway 210
6. Follow Highway 210 for another 6.75 miles
7. You will come to intersection with 1128 Darroch Road on the right, 2045 Elliott Bridge Road on the left, and the **old** Flat Branch Fire Station on the left. Turn left on Elliott Bridge Road.
8. The new Flat Branch Fire Station is just ahead on the right.
9. Total distance from park is approximately 32 miles

Notes:

1. EMS personnel will probably be the only person at the station. They should be expecting you.
2. The number inside the fire station is 910-893-3504. Teddy Joe McLamb is the fire chief and gave his personal approval to use the station. His cell phone number is 910-984-6294.
3. The code for the door is ___ _ _ .
4. Set up in front of the station - visible from the street - but not blocking the doors.
5. Water is available from the hose bib on the side.
6. Ask if the restrooms may be used if needed inside the fire station.
7. Only the 100 and 86 mile routes pass this station.
8. The first riders will pass around 10:15am (but probably will not stop). The last riders should pass by around 11:30 or so. See sag stop instructions regarding rider sweep.
